understanding of it instead of the words of 'system of doctrine' taught in our Do you mean to say that the olders and standards in the sense in which it has ministers are bound by their promise made been historically understood to be

by you and do not preach it? Do you know has it been historically understood? Has it not been in the Calvinistic sense in which the Westminster Divines understood and expressed it? This strict construction of it has not been assented to by what is known as the New School; and some of this school have held views in regard to original sin and the universality of the atonement, hardly if at all distinguish able from those of Arminius. The holding of such views the Princeton of Capparation and also of perspicuity. If in doing so, we have in any particular misrep holding of such views the Princeton of the doctrine to the such as the New School is and some of this school have held views in regard to original sin and the universality of the atonement, hardly if at all distinguish able from those of Arminius. The holding of such views the Princeton of the doctrine to put on, at \$2.00. **Milly, my phaymate, I have "like a state;"

But Donal I have in the convented in the put on a school is the state of put on, at \$2.00. **Special School Lave Plate and I have you be put on, at \$2.00. **Special School Lave Plate and I have you be put on, at \$2.00. **Special School Lave Plate and I have you be put on, at \$2.00. **Special School Lave Plate and I have you be put on, at \$2.00. **Special School Lave Plate and I was a special school in the put on, at \$2.00. **Special School Lave Plate and I was a special school in put on, at \$2.00. **Special School Lave Plate and I was a special school in put on, at \$2.00. **Special School Lave Plate Plate and I was a special school in put on, at \$2.00. **Special School Lave Plate Plate I was a special school of Lave Plate Plate I was a special school of Lave Plate Plate I was a special school of Lave Plate Plate I was a special school of Lave Plate Plate I was a special school of Lave Plate Plate I was a special school of Lave Plate Plate I was a special school of Lave Plate Plate I w so, we have in any particular misrep holding of such views the Princeton. Copyright, 1886, by Wonlin's Dix Man. And X. resented what the Confession and Catechisms teach, then we have failed to be fair; and our statement of the doctrine and the inferences from it is subject to grave censure. But we think it is an hoped by many, would remove the

entirely fair and complete representation of the teachings of the Presby. "Calvinistic" in the resolution in terian Standards. If Inquirer will examine chapter that no let up will be conceded by the third of the Confession and also the old School Theologians, on whose de answers in the Larger Catechism, to questions twelve, thirteen, twenty.

two, twenty three, twenty-five, twentyty nine, thirty and thirty one, he will see that we have only shortened what is there stated with a fullness and stated with a fu strength and particularity that will field, and the hearts too "opened wide unmake him quake with terror. If June 9th. Bonds and Mortgages with accrued interest upon comparing these parts of the Confession and Catechism with our purer gathering on its placid waters than remarks he is of opinion that we have the children of the Morris & Lesex Ist Mtg. R. R.

glad to have him point out wherein tender by their helpless dependence. in his judgment we are open to cen. It is a pleasant sight to see the bright most importance. It has been made manifest during the last year's discussions in the Presbyteries, that very many elders and some ministers were not aware of the teachings of the standards on this subject, and hence we are not surprised that our research that the research of the standards do took the standa We think this a matter of the ut. with delight as they gather daisies in the Surplus, As have seemed to some overdrawn. presence in the afternoon, which adds But the standards do teach in the clearest possible terms that God gave his Son to die only for the elect: for the limited number selected and predestinated from all eternity to be saved. That as to all others they are the non-elect. They were paised by in the mind and purpose of God deing in the mind and But the standards do teach in the much to the encouragement of the work.

tion, and its because they to the standards to the standards teach that what the standards teach that what the standards teach that what the standards teach should be fully and honestly avowed. They also teach that the non-select are guilty of Adam's first sin and for that guilt are consigned to everlasting purnishment with the Devil and his angels, because that guilt and its inevitable consequences left.

To Inquirer's second question: We do no say that the ministers and elders believe the doctrine above stated or are bound by their ordination row to believe or teach it. We think and believe that many of them More New Ferry Boats.

We have not heard it preached or stool of one, running clear through from taught in any Bloomfield Church so stem to stem, as in the Bergen. By far as we remember, and hope we means of that improvement both screws never shall. But we think there are many ministers and elders in the Presbyterian Church who hold to it just as the standards express it. We think it is so upheld in the Princeton ins of the Bergen are the handsomest of Theological Seminary. Whoever will any ferrybeat. The new beats are to be look into Docter Hodge's outlines of Theology, which is a text-book for The Dover Era says the students in that Semmary, or into In his recent address at the Seeped his Commentaries on the Confession, Brigade remotes in Newark Gen. E. Burd

can judge for himself whether the Grabb said: "I do not know or care Varnishes, Japans, Doctors of Divinity who are Professors what others think, but as for me I would there probably believe and preach it or not. We think it a fair inference, from their total and strong opposition to revision, that they do. This however is not a necessary inference, because It was a noble sentiment, timely in its some have opposed revision who do application, and worthy of the man who not agree to these teachings of the uttered it. standards. We so entirely repudiate
